

Corporate Social Responsibility Statement

Egremont Group are committed to good corporate citizenship and to supporting charity partners and community initiatives which are relevant to the business, employees and clients. We aim to act responsibly in how we do business whilst recognising the impact our work has on the environment and surrounding community.

The aim of our policy is to raise awareness of CSR and business ethics and manage the external CSR profile of the business. Our policy covers:

- + Our business ethics and values
- + Our customers
- + Our people
- + Our suppliers
- + Our community relations
- + The environment

We aim to provide guidance and direction to all employees on opportunities relating to the conduct of corporate social responsibility. And we actively encourage suggestions and participation within CSR

This year Egremont have voted to support Vitalise and Macmillan Cancer Support through a variety of fund raising and pro bono projects.
